

# For your Safety Civil Protection Test Alarm

**all over Austria on Saturday, 7<sup>th</sup> October 2023,  
between 12:00 a.m. and 12:45 p.m.**

It is possible to warn or alert the population in case of emergency with more than 8.000 sirens and the KATWARN Österreich/Austria APP.

To familiarize you with the civil protection signals and at the same time to test operability of the warning and alert system once a year **a Civil Protection Test Alarm is carried out all over Austria**, operated jointly by the Federal Alarm Centre at the Federal Ministry of the Interior and the offices of the governments of the Federal Provinces.

## Meaning of the signals

### Testing of operability of sirens
